FOR IMMEDIATE RELEASE: JAN. 19, 2019

The “purr-fect oppawtunity” to adopt a free pet
Brookview Animal Shelter hosts annual adoption event

BROOKVIEW, Texas (Jan. 22, 2019) -- Adopt a furry friend for free at the Brookview Animal Shelter’s Pet Day and receive a \$20 gift certificate to make them feel right at home! The Pet Day is on Saturday, Jan. 26 from 10 a.m. to 4 p.m. on the shelter’s front lawn.

“Although we love the pets in our shelter we are excited to see them become a part of another loving family,” said Mary Sais the BAS director. “We know that some families want pets but can’t afford adoption fees, so having them waived for Pet Day makes pet ownership so much more affordable for them.”

On Friday, Jan. 25, in collaboration with Hollywood Rescue- a non-profit dog grooming foundation- the animal shelter will host “Picture Purr-fect” to give the pets a makeover in preparation for Pet Day. Of the animals that this organization grooms, 85 percent of them are adopted within hours or days of their makeover.

“We’re so excited to give these animals beautiful makeovers before they move to their new homes,” said Sais. “Our goal is that all of them will be adopted.”

The Brookview Animal Shelter will post parts of the grooming process and before and after pictures of the pets to their social media leading up to Pet Day.

At Pet Day, there will also be a photo booth so that families can update their family photo display and social media with beautiful photos with their new addition.

For people that leave copies of the photos taken in the photo booth, the city of Brookview will put them into the photobook time capsule that will be buried on Saturday, Feb. 2. The capsule, which will not be reopened for 50 years, will serve as a memory of the good work that the people of Brookview do, including pet adoption.

“The Brookview Animal Shelter is improving the community by hosting events like Pet Day,” said Alex Pimberly, the mayor of the city of Brookview. “Pet Day is a perfect opportunity to bring the community together for a great cause: finding loving homes for stray animals.”

Pet Day will be hosted at the Brookview Animal Shelter, which is located at 1515 Cityline Drive. For updates on Pet Day, follow the shelter’s Twitter and Instagram at @BrookviewAnimals. Donations will be collected at www.bas.org/donations.
